

# AI Commission Blueprint Funnel Creation Prompts

**Step 1** is to find a Niche and a product you wish to promote.. (Watch training videos 1 and 2 to complete this step)

**Step 2** is to use AI to help generate an Opt in Page Headline and Call To Action

## Use The Following Prompts:

### Prompt 1:

I'm going to give you a URL to a sales page and I want you to look over it and analyze it and tell me when you are ready for my next prompt.

**After it confirms it is ready for you next prompt simply enter the URL of the sales page (NOT your affiliate link - Watch Video for Instructions)**

### Prompt 2:

Great, I now have to build an Optin Page where I'm going to collect an email address before sending them onto a Thanks you page which will eventually lead them to get to the above sales page. What I need is for you to create me an enticing Opt in Page Headline that is similar to the headline on the sales page but is designed to peak curiosity and get them wanting to enter their email address to learn more about this amazing offer.

**After it creates a headline and a call to action that you like or could work with then use the following prompt:**

### Prompt 3:

Excellent work Mr AI, now I need to add in a little more content to the Opt in Page, so can you list 3 benefits of the above offer and list 3 strong action taking

bullet points that will entice the person reading the page to want to enter their email even more.

**After it creates a little more enticing content then use the following prompt**

**Prompt 4:**

Excellent, now after people opt in they are taken to a Thanks page and on that thanks page it needs to congratulate them and entice them even more to click the button below to access or look at the amazing offer on the next page which is what we have been building them up to seeing from our Optin page.

**After it creates a Thank you page copy then we are going to move onto building these 2 simple pages.**

**CONGRATULATIONS - Move onto the next training video in the member area**
